

2020 SPONSORSHIP INFORMATION

Please join us for our annual Rivkin Center *Family & Friends Auction*, which will be held virtually this year on **Saturday, November 7, 2020**. Like many events, our auction will look different this year due to the COVID-19 pandemic, but we promise to bring our party of the year into your home with an inspirational broadcast including a full online auction.

As you know, this event is the Rivkin Center's premier fundraising auction. Our goal this year is to raise \$1 million dollars at the Virtual *Family & Friends Auction*. The funds raised at the event are critical to the Rivkin Center funding ground-breaking ovarian cancer research and life-saving ovarian and breast cancer education. Your support provides hope to thousands of women and their families in our region and beyond.

Get involved with this important, festive, and fun event! We look forward to celebrating with you virtually on November 7th!

For additional information, please visit www.rivkin.org/auction.

The *Family & Friends Auction* Audience

Expected guests include community leaders, corporate executives, prominent physicians, and young professionals from the Puget Sound area. Attendees also include patrons of the Rivkin Center, Swedish Medical Center, and Fred Hutchinson Cancer Research Center.

Evening Program

Saturday evening, November 7, 2020

More details for the evening will be available soon at www.rivkin.org/auction.

About the Rivkin Center

Proceeds from the *Family & Friends Auction* benefit the work of the Rivkin Center.

The mission of the Rivkin Center is to improve women's health by helping them prevent, detect early, and survive ovarian and breast cancer. We do this by investing in cutting edge research to prevent and cure ovarian cancer, a deadly and under-funded disease, educating women to prevent and detect ovarian and breast cancer as early as possible, and fostering an ever-growing community of survivors, patients, researchers, clinicians, advocates, and supporters. We envision a world where women live longer and healthier lives because their cancers are prevented, caught early, or cured.

The Rivkin Center was founded by renowned Swedish Cancer Institute medical oncologist, Saul Rivkin, MD (now retired), in memory of his wife, Marsha, who lost her life to ovarian cancer.
