SPONSORSHIPS

RIVKIN CENTER

summerun.org

JULY 17, 2022 • SEWARD PARK
The 14th Biennial Ovarian Cancer Research Symposium takes place virtually in September as a series of seminars co-hosted by the Rivkin Center and the American Association for Cancer Research.

- The virtual seminar series addresses major needs in ovarian cancer research and treatment by educating clinicians and researchers on the latest innovations and future directions in the treatment, early detection, and prevention of ovarian cancer. One seminar will be devoted to addressing healthcare disparities, diverse recruitment into clinical trials, and patient advocacy.

- The series will feature 8 full-length talks from invited experts, 20 lightning talks from young investigators, deep discussion with leaders in the field, and poster presentations.

The Audience: roughly 500 participants, including physicians, nurses, researchers, and ovarian cancer patients and survivors from all over the world to share ideas and advance ovarian cancer research. The seminar series is a Continuing Medical Education activity providing AMA PRA Category 1 Credits™.

Planning Committee

Christina Annunziata, MD, PhD (National Cancer Institute), Neil Johnson, PhD (Fox Chaser Cancer Center), James Lillard, PhD, MBA (Morehouse), Goli Samimi, PhD, MPH (National Cancer Institute)

The SummeRun & Walk for Ovarian Cancer began in 1994. Started by Rivkin Center founder, Dr. Rivkin and his five daughters after the loss of his wife, and the girls’ mother, Marsha Rivkin, to ovarian cancer. Determined to turn their grief into something positive, they decided to step up and show the world that Marsha’s battle with ovarian cancer was over, but theirs was not. Ultimately starting an event and an organization that has become one of the largest private funders of ovarian cancer research in the country.

Because of the hard work of SummeRun team captains and participants and many other generous donors, the Rivkin Center funds ovarian cancer grants and educates thousands of people on ovarian and breast health annually.

The Audience: roughly 1,500 participants from the ovarian cancer community including patients, survivors, family members, friends, healthcare workers, civic leaders, and coworkers come together at Seward Park on July 17.

We are pleased to include, at no additional cost, SummeRun sponsor benefits as a part of your Seminar Series sponsorship. See the grid on the next page for a list of these benefits.

---

The Rivkin Center

Our mission is to help people prevent, detect early, and survive ovarian and breast cancer.

We do this by investing in cutting-edge ovarian cancer research, hosting large-scale research Symposia, and educating on the risk factors and symptoms of breast and ovarian cancer.

About Ovarian Cancer

Each year, approximately 22,000 women in the United States are diagnosed with ovarian cancer.

The overall 5-year survival rate for ovarian cancer is only 47% and is markedly lower when diagnosed at later stages.

The Ovarian Cancer Research Seminar Series is a Continuing Medical Education activity. All promotional activities shall be in compliance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence. Exhibitor sponsors are required to comply with the following rules:

- Promotional activities must be identified and kept separate from CME activity sessions.
- Arrangements for commercial exhibits or advertisements cannot influence planning or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities.
- Product promotion material or product-specific advertisement of any type is prohibited in or during CME activities. No product advertisement of any type shall be permitted in the same session as the educational activity.
- Exhibit staff is prohibited from engaging in sales or promotional activity in the education session before, during, or after the CME activity.

* SummeRun logo t-shirt deadline is June 9, 2022. After June 9, logo will appear on event signage.
