BENEFITTING

THE RIVKIN CENTER

Proceeds from the Family & Friends Auction benefit the work of the Rivkin Center.

The Rivkin Center strives to improve women's health by helping them prevent, detect early, and survive ovarian and breast cancer. We do this by investing in cutting-edge ovarian cancer research, educating individuals on breast and ovarian health, and fostering an ever-growing community.

The Rivkin Center was founded more than 20 years ago by renowned Swedish Cancer Institute medical oncologist, Saul Rivkin, MD (retired), in memory of his wife, Marsha, who lost her life to ovarian cancer.

"If you're an ovarian cancer researcher, you've leaned on the Rivkin Center to advance your work."

- Nadine Hempel, PhD
Penn State College of Medicine

THE AUDIENCE

We expect more than 400 community leaders, corporate executives, prominent physicians, and young professionals in the Puget Sound area. Rivkin Center auction participants have connections throughout our local community. Sponsoring the auction and the work of the Rivkin Center is a great way to make a positive difference for women's health and meet new business contacts and customers.
