NW GYNECOLOGICAL CANCER SYMPOSIUM ABOUT THE RIVKIN CENTER

The mission of the Rivkin Center is to improve women's health by helping them prevent, detect early, and survive ovarian and breast cancer.

Since 1996, the Rivkin Center has served as a catalyst for expanding investment in ovarian cancer research by funding the best ideas from all over the world.

Our goal is to eradicate ovarian cancer through advances in prevention, early detection, and treatment of the disease. We accomplish this by providing seed funding to researchers to develop innovative ideas and to cultivate a strong ovarian cancer workforce. To date, the Rivkin Center has awarded \$16M in research funding. We also support ovarian cancer research through hosting annual symposia to bring together researchers and clinicians to share ideas, form collaborations, and push the field forward.

We envision a world where women live longer and healthier lives because their cancers are prevented, caught early, or cured.

2023 NW GYNECOLOGICAL CANCER SYMPOSIUM EVENT DETAILS & SPONSOR BENEFITS

Friday, September 8, 2023, 8:30AM to 6:30PM
Orin Smith Auditorium, UW South Lake Union Campus
850 Republican Street Seattle, WA 98109

The Rivkin Center is proud to present the third Northwest Gynecological Cancer Symposium (NGCS). The Rivkin Center hosts NGCS in odd years and partners with AACR in even years to host the internationally attended Ovarian Cancer Research Symposium.

NGCS facilitates communication and fosters collaboration between scientists and clinicians in Washington, Oregon, and British Columbia working on the prevention, early detection, and treatment of gynecological cancers.

Symposia Format:	Invited talks, short abstract talks, poster presentations, and reception
Expected Attendance:	100 attendees from WA, OR, and BC Canada
Attendee Demographics:	Clinical and research faculty, postdocs, fellows, staff scientists, and graduate students in all fields of gynecological cancer research and treatment
Networking Opportunities:	Opportunity for sponsors and attendees to network during the catered lunch, reception, breaks, and poster session
Sponsor Incentives:	Gold sponsor tables participate in Sponsor Passport. Attendees receive a stamp on their passport from sponsors and are entered to win a prize.

PLANNING COMMITTEE

- John Liao, MD, PhD University of Washington
- Tanja Pejovic, MD, PhD Oregon Health & Science University, Knight Cancer Institute
- Yvette Drew, MD, PhD University of British Columbia, BC Cancer Vancouver
